

valentines package

Here is a package with the opportunity to add on those little extras that will surprise and delight! The event works particularly well at Madame Tussauds, but can be easily adapted to other venues.

Glamorous red carpet arrival to a canapé and Pink Champagne reception. Add a little extra charm with romantic look-a-likes such as Marilyn Monroe and George Clooney to mingle with your guests and work those tried and tested chat up lines to put everyone at ease! After the reception, sit down to dinner surrounded by a red, pink and gold themed room.
