

One Marylebone
London , NW1 4AQ

Built in 1826 on its own 'island' in the heart of the capital, One Marylebone has rapidly become a firm favourite for event organisers and private clients looking for an elegant, yet flexible venue.

Beautifully refurbished to the original designs of Sir John Soane, the Grade I listed venue boasts 3 unique hireable spaces plus landscaped garden, moments from Regents Park. The grandeur of One Marylebone has attracted blue blue-chip brands from a variety of industries with a focus on fashion, beauty and the arts.

The East and West galleries are each 1200 sq foot; both are flooded with natural daylight. The rooms are at the heart of the architect's passion for light and its effect.

The basement has the largest plate of the building, the space is a labyrinth of white arches and provides a completely unique space.

The Soane Hall is the jewel in the crown of One Marylebone. Over 27 feet high, the room is impressive in size as well as beauty. Although full of Character with Mosaics and stained glass windows the space remains flexible allowing clients to either enjoy it in its natural State or alter it to fit any requirements of style
