

**Roundhouse**  
**Chalk Farm Road, London, NW1 8EH**

Located in Camden, known as the artistic corner of London, the newly renovated Roundhouse is ready to host any event that comes its way.

This magnificent Grade II listed building, dating back to 1846, has recently undergone refurbishment, making it one of the largest venues in London for nurturing creative young talent and hosting large scale production events.

Corporate dinners with aerial artists, product launches with innovative props, award ceremonies with full scale production and AV; the Roundhouse can handle almost anything.

Whilst you can be as creative and imaginative as you like with production and props, Payne and Gunter will compliment your event with creative and first class catering.
