

Ealing Town Hall

New Broadway, Ealing, W5 2BY

Situated in the centre of the vibrant London Borough of Ealing, Ealing Town Hall was built in 1887 to celebrate the growth of local democracy in the borough. The dramatic Grade II listed Victorian building was expanded in 1930 to create the Town Hall building of today. 120 years later, it is still providing the same public function that it was built for.

Ranging from the gothic-style Victoria Hall and the modern, split-level Princes Hall to the smaller, more intimate Nelson Room, the rooms within the Town Hall present an exciting combination of original architectural features and contemporary facilities and offer a diverse choice of spaces for hire.

Easily accessible by road, underground and overground rail and less than 30 minutes drive from London Heathrow, Ealing Town Hall is perfectly situated for hosting your West London event. Whether you are looking for a venue to celebrate a special occasion, entertain clients or host a conference or meeting, you can be confident that the experienced hospitality and events team will be on hand to offer advice and the personal touch for your event.
